STAGE COMBAT INSTRUCTION

Adjunct Professor - Loyola Marymount University *2018-Present*

- Instruction of college undergrads in beginning level Stage Combat in the disciplines of Unarmed Combat, Quarterstaff, and Rapier & Dagger
- Lead students through the development of safe and consistent techniques to create the illusion of violence
- Assist students in creating fully realized performances
- The majority of students who complete this course are also awarded recognition as Actor Combatants by the Dueling Arts International governing body

Guest Artist Instructor - Milken Community School *2018-Present*

- Introduction of basic stage combat techniques to students age 13-18
- Collaboration with Drama Program Director to create movement exercises and age- and ability-appropriate fight choreography
- Choreography and instruction in unarmed and armed techniques including falls, sword fights and group brawls

Private Workshop Instruction *2018-Present*

- Instruction of beginner and intermediate stage combat techniques in a variety of workshop formats
- Instruction of Dueling Arts International curriculums for Unarmed Theatrical Combat, Medieval Broadsword, Renaissance Rapier and Dagger, Transitional Single Rapier, Restoration Smallsword and Quarterstaff techniques
- All workshop modules offer skills testing to be recognized by Dueling Arts International as either a Level One or Level Two Actor Combatant

Teacher's Assistant *Summer 2008-Spring 2018*

- Assistant to Loyola Marymount University's Theatre Department co-chair
- Responsible for co-teaching Stage Combat instruction during the course of standard semester-length and accelerated courses with up to 22 students

- Co-teach in 3 different class modules:
 - Stage Combat Technique: covers Unarmed Theatrical Combat, Medieval Broadsword, Renaissance Rapier and Dagger, Transitional Single Rapier, Restoration Smallsword and Quarterstaff techniques combined with textual analysis of and practical application to both classical and contemporary drama
 - Renaissance Drama in Action: combines theatre history, textual analysis of classical drama and the practical application of stage combat techniques in Medieval Broadsword and Renaissance Rapier and Dagger
 - Commedia d'ell Arte and Shakespeare In Action: combines theatre history, movement technique, textual analysis of Shakespearean texts and the practical application of stage combat techniques to performances of these works as interpreted through Commedia d'ell Arte stock characters in Medieval Broadsword and Renaissance Rapier and Dagger
- The majority of students who complete these courses receive Level I Recognized Actor Combatant status from the Dueling Arts International governing body

Guest Artist Instructor - The Stevenson School *May 2015 & May 2016*

- Work with faculty to create presentations and performances which put Shakespearean texts into action
- Develop basic stage combat sword fighting workshops for grades 5-10
- Instruct students in age- and ability-appropriate stage combat techniques

Guest Artist Instructor - Crespi Carmelite High School *Spring 2013-Summer 2014*

- Work with faculty to direct extracurricular drama performances
- Instruct students in techniques for acting, voice and movement
- Instruct students in age- and ability-appropriate stage combat techniques
- Developed multi-session, specialty workshop to pair stage combat and acting techniques with Shakespeare text analysis

Guest Artist Instructor - California State Thespian Festival *Spring 2013 & Spring 2014*

- Instruct stand-alone introductory workshops in stage combat for high school students selected from across the state of California as high level achievers in the performance arts.
- Instruct students in age- and ability-appropriate stage combat techniques
